OVERCOMING THE
CHALLENGES
OF THE TIME

The Reapers' Voice is a Publication of Greenfield World Mission Int'l. It has the aim of Publishing what the Lord is doing across the world especially in the body of Christ and in the mission field.

The magazine is a tool for evangelism, and the extension of the frontier of the kingdom of God.

It is published yearly and subscription /postage is free.

EDITORIAL

Dr. Sanmi Bankole

President, Greenfield World Mission Int'l

For, behold the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee.

Isaiah 60: 2

Interestingly enough light will be available for the saints in the midst of the mess. While it is obvious that the darkness will not abate, the truth is that the saints of God will move in and enjoy the power of the greater light so as to be able to accomplish the counsel of God here on earth.

One of the manifestations of the outrage of darkness is insurgency in various part of the world. There are quantum of lives and properties being lost as a result and souls are being lost to hell daily. In the face of this, we are to take our stand, embark on rescue operation and stay in the secret place. You will also read about how to overcome the challenges of this present time. God has not left his saints to be at the mercy of the odds of our days and society. There is a way out. The story and activities of one of the missionaries will spark fire into you (**Conquering New Ground**). He faced terrible challenges in the field and in it all, the kingdom of God grew. You are a **'licensed God's channel'** of blessing to people around you. This is the testimony of James and Sarah, a missionary couple in Europe. Read their story in this edition.

God is doing great things in the interior jungle of Katchia local government area of Kaduna south. There, Greenfield Mission built a four-room clinic in 2014 to cater for about five villages in the jungle. We in this edition bring to you the update of what God is doing through the clinic (named after Nkoli Chukwuamaka).

We hope the write up in this magazine will steer you to do something to promote the course of our Lord Jesus Christ, and also to take a positive step today to sponsor a missionary. Enjoy your reading and God bless you.

A thing becomes difficult when the hand of the Lord is not involved and easy when God put up a helping hand.

And some of them were men of Cyprus and Cyrene, which when they were come to Antioch, speak unto the Grecians, preaching the Lord Jesus. And the hand of the Lord was with them: and a great number believed, and turned unto the Lord.

Act. 11:20-21

These brethren from Cyrus and Cyrene preached the gospel and made multitude to believe. These are not renowned men, their names were not mentioned but they have the word and proclaimed it and brought about revival in the land. This season is a time for everyone to go out with the good news to the lost, hurting and afflicted of the enemies, just go with the mighty hand of God and you will be amazed at the result He will give you.

It is with great joy and high spirit that we present this edition of **The Reapers' Voice** to you as we believe that it will steer up faith in you to move on to greater height.

We live in a period in world history that Bible described as **"The period of darkness"**.

GREENFIELD WORLD MISSION INT'L OUR MISSION

1. Supporting missions and missionary organizations. We give financial assistance to missionaries on a monthly/consistent basis. This is to enhance their performances.
2. Supporting evangelical activities geared towards soul winning and church planting.
3. Promoting missions through newsletters/magazines and a world class mission resource centre.
4. Promoting the gospel through various publications such as tracts and Bibles for free circulation all over the world.
5. Promoting the gospel through educational support via Greenfield Scholarship Scheme.

MISSION QUOTES

“

Here am I, send me to the end of the earth;
send me to the rough, the savage lost of the wilderness,
send me from all that is called comfort on earth;
send me even to death itself, if it be but in your kingdom.”

- David Brainerd.

Can you afford to leave this world empty handed, with no soul to greet Jesus with?

INSURGENCY

What Next?

Pastor John Oluboyo

One of the ills that is engulfing and discoloring the peace of the nations in the past decade is what is termed insurgency (a term commonly used to describe the attack being leached on the innocent majority by the violent few). It is a rebellion against the authority of a given area or nation, the result of which innocent people are being attacked and killed. In all the areas where insurgency is present one thing is common: mass killing of the innocent and destruction of government apparatus.

In Nigeria, the death resulting from the activities of the insurgent group since 1998 amounted to thirty thousand (30,000) people (according to Nigeria Social Violent Dataset; SAIS African studies Programme) and about two million people displaced.

Across various part of the world, there exist insurgency group as Boko Haram in Nigeria, Mutahida Jihad Council in India (simply called United Jihad Council), the Afghanistan, the Qaeda groups in Afghanistan, the Al-Shabab in Somalia, ISIL in Libya, ISIS in Syria, the Marxist Tupac Amaru, Sandinistas, the Zapatistas in Latin America, to mention but few. These so called insurgence group are assuming a global dimension and must be tackled appropriately. The list on this group is unending.

The Spiritual Parallel:

Insurgency and all forms of violence that keep greeting us daily is a playout of the script that was written in the realm of the heavens;

*“However the spiritual is not first;
but the natural, and afterward
the spiritual...”*

1 Cor. 15: 46 (NKJV)

The brain behind all the evil drama down here is Lucifer, the devil. The devil is racing toward his

deadline – to steal, kill and destroy (John 10: 10)

*“... for that adversary of yours,
the devil, roams around like a
Lion roaring (in fierce hunger),
seeking someone to seize upon
and devour.”*

1 Peter 5: 8 (AMPC)

The devil's time is short and therefore he races with fury towards meeting his deadline.

*“... for the devil.... Having great wrath,
because he knows that he has but a
short time”*

Revelation 12: 12.

The devil is combing every nook and cranny in the bid to achieving his target. The effect of his action litters our landscape today; terrorist attack, insurgency, destruction of lives and properties, deterioration of moral and family values, divorce, cultism, the loss of youth to the enemy and worldly system. His intention is to destroy as much as he could of the human race before time closes up on him.

What Next?

Insurgency has been with us now for decades and nations have been expending millions of dollars annually to combating this menace but to no avail. In the attempt to finding solution to this ugly upheaval, some nations do attempt to negotiate with such group as the case of Nigeria. Some individuals go to an extent of building bunkers in their homes.

It is not out of place to say that insurgency has come to stay. We live in the last days, in which terrorist attacks and deadly assaults lurk around, and the entire world seems to be helplessly grooming under siege, in fear of this dreaded 'virus'. The question we should be addressing our minds to at this juncture is; what must I be doing in the light of the global stress and insecurity of our days? Let us consider the following points:

Lift up Your Heads in Hope:
“And when these things begin to come to pass, then look up, and lift up your heads, for your redemption draws near”.

Luke 21: 28

This is not the time to be complaining and grumbling, not the time to live in fear and in hideout having our heads buried in the circumstances of our time. We are to look up to God, trust and put our hope in Him. Remember, some trust in chariots, some horses, but we will trust in the Lord our God (Psalm 20: 7).

No Negotiation:

There was a time, amidst the pressure from the insurgent group, that Nigeria government was contemplating negotiating with the Boko Haram, with the aim of securing the release of the captives (the Chibok girls), and therefore granting the terrorist amnesty. This eventually was jettisoned. King Saul had almost concluded negotiating (a sellout) with the 'Champion', Goliath, when David (the young lad) appeared in the scene. David reversed the negotiation and brought in victory to Israel. On no ground must we negotiate and trade away our faith in the face of the troubles of this present time.

“Who shall separate us from the love of Christ? Shall tribulation

or sword...? No in all these things we are more than conquerors through him that loved us.

Roman 8: 35-37.

Nothing should be so strong to make us abandon our faith and salvation. There is no alternative to

the faith-life and salvation in God. No negotiation, no surrender, no retreat, we must hold on to the end.

Remember, him that endure to the end, the same shall be saved (Matthew 24; 13)

Rescue Operation:

Permit me to use Nigeria case as illustration. Over two hundred Chibok girls were captured by the Boko Haram Sect (insurgent group). Days had passed over the issue before the Federal Government of Nigeria woke up to organize a search and rescue operation. Till date the recovery of the chibok girls still remains a dream yet to be actualized. In the same vein, there are many today in the devil's net, oppressed, being under the yoke of sin, drugs and various vices. We can see the mark of insurgency all around us; oppression, sickness, death, poverty, sin, drug and addictions etc.

Hell 'rejoices' for the increased number of captives to her insurgence group. What must we be doing at this time? It is not the time to sit in our comfort zone feeling secured and unconcerned. When Boko Haram first started like a sprouting plant, the Nigeria government and her leadership (various arms of government, the legislators, governors, and the so called high and mighty) were all sleeping in their 'I-don't-care' sofa. Today, the

same insurgence that came up as an insignificant plant, has snowballed to a growing fire that has engulfed lives, properties, destinies, billions of dollars etc.

*“Therefore hell has enlarged herself,
and opened her mouth without
measure;
and their glory, and their multitude,
and their pomp, and, he that rejoices,
shall descend into it”*
Isaiah 5: 14

As for Nigeria, the sleeping Giant, (waking up from slumber), overcoming the insurgency is almost becoming a mirage. There is hope. What I am saying in essence is the need for us to rise up now to embark on a search and rescue operation.

*“And of some have compassion,
and others save with fear,
Pulling them out of the fire”*
Jude 1: 22, 23.

We need to constantly make a concerted effort at pulling people out of the fire of HELL. This will be done by preaching the gospel of Jesus to them in various forms. Show love, concern, give a helping hand, do all you can to encourage people around you to embrace the gospel.

Stay In the Secret Place:

In time of insecurity (bombing, kidnapping, assassination etc.), people are encouraged to stay away from volatile areas and areas prone to attack. People tend to move from one area of insecurity to area of relative peace. In the case of Nigeria, at the wake of insurgency, the people started migrating from the core north to areas like Abuja and some southern cities. Companies, organization, churches started installing bomb and metal detectors at their premises and entrances, all in the bid to securing a safe and secure environment. In such a time like this, wisdom demands that you secure yourself in God’s fortress, where no external aggression can harass you.

*“He that dwell in the secret place of
the most high shall abide under
the shadow of the Almighty...”*
Psalm 91:1

we live in a terrible time in history that Apostle

Paul spoke about. Let me remind you of this, there is a sure place of safety. I advise you to take cover in this bunker (the Rock). We will not speak negative word and be fearful like others in the world. We will speak the word of God and will reign over these things. We will reign over these things. We will say like King David:

*“I will say of the Lord, He is my refuge
and my fortress? my God; in him will
I trust”*
Psalm 91:2

*“God is our refuge and strength a very
present help in trouble. Therefore we
will not fear, though the mountain be
carried into the midst of the sea”.*
Psalm 46: 1, 2.

Let me emphasis this to you; if you are not in Christ, you are living in an unsecure city, prone to all forms of harassment. Your life is not safe. You will be an unwise man having read this message and still decide to stay out of Christ. Jesus Christ is the only safe and secure place.

Be Ready:

The disciple of Jesus asked him for the signs of his coming and of the end of the world (Matt. 24: 3). All the prophesies Jesus gave pointed to one fact- **trouble in the world**. Nation will rise up against nation i.e. People will rise up against themselves. All the negative realities the world is forced to contend with today's point to one thing – the imminent coming of Jesus Christ.

*“Watch therefore: for ye know not what
hour, your Lord doth come. But know
this, that if the good-man of the house
had known in what watch the thief would
come, he would have watched, and
would not have suffered his house to
be broken up”*
Matthew 24: 42-43.

Face to face with these negative events around us today, **what next?** Putting the scripture which cannot be faulted or broken, in the front burner, a wise man will therefore begin to take heed to the Bible prescriptions and warnings.

In conclusion, there is a glorious call at this injury hour we live in for all of us to watch over our lives and live ready for the coming of Jesus Christ. **Live ready, do right and be right.**

FRIENDSHIP EVANGELISM

(Testimonies of missionary from Europe)

... For we know how dearly God loves us, because He has given us the Holy Spirit to fill our hearts with His love." (Romans 5: 5, NLT).

Our mission in recent times is to be able to reach out to our neighbors and that the Lord will reveal Himself to them. We live in the neighborhood of a town in Europe that is said to be about 95% populated by immigrants from North Africa. But our block, with nine flats had just 3 families from North Africa. Later on, a fourth family moved in.

We started building friendship with our neighbors, particularly those from North Africa, such as the family right opposite our flat. In the beginning, the wife was skeptical about us, but the husband was open. Another couple upstairs, the wife was the one who was open but the husband was skeptical.

The Lord continued to work in our neighbors hearts and after a while, the couple opposite our flat became close. Sarah is now the confidant of the wife. They have three children. Their last child, a seven year old girl, is very affectionate of Sarah. This week, the mother fell in the staircase and Sarah had to take her to the emergency service. Last month, she told Sarah that their second son had a dream about Jesus. Some days after, while leaving our flat, their first son declared that Jesus is alive.

At the beginning of this academic year, the other couple upstairs asked us if we could teach their six year old son English. The day the wife came to talk about which day will be suitable, James told her that we will do it voluntarily. This touched her. Some weeks after we started, their son asked that he be taught a Christmas song that he can sing at school. Sarah taught him one. Last Sunday, Sarah went to ask them if they would like to come for the Christmas program at church and they have

accepted to come. The Christmas program takes place this Sunday.

One of them recently told James that he doesn't have any religion, and went on to refer to what happened in Paris recently. Two other couples that Sarah has taught English to their children in the past needs our prayers. One of them has moved away from the neighborhood, the other one, as we met him this week, insisted that Sarah visits them.

When you love children with the love of Christ, they know it. David, our son is in the same class with a boy whose father James knows. One day, as James was returning home, they were coming back from school too. James walked side by side with this boy and they talked. David was a way ahead. When he saw his father and the boy talking, he wanted to know what they were talking about. The classmate told him: "he is my father too." Please pray for this family as well. The father had asked me a question about Christmas some time ago. As I was responding, we got interrupted.

Please pray for us that we will truly be His channel, for His love to flow through us as He reveals Himself to all these precious souls.

James and Sarah (not their real names: for security reason). Missionary couple in France

NKOLI MEMORIAL CLINIC AKWANA, KADUNA STATE

(A SITUATION REPORT FROM SOJOURNER MISSION INT'L)

With grateful hearts, we Sojourner Mission Int'l (SMI) wish to acknowledge all your prayers and support at Greenfield World Mission Int'l (GFMI) towards the furtherance of our mission to the unreached. Your partnership with us has served as a catalyst for igniting our passion to forge ahead in this work. We are thankful for encouragers like you who have missions stuck in their hearts, seeing to it that our cardinal vision of missions and discipling the unreached for Christ in our nation and beyond goes unhindered. We would continue to count on you for the sustenance of this God-giving vision. We look forward having more partnership relationship with you as we forge ahead in Jesus Name.

Nkoli Memorial Clinic was built by Greenfield World Mission Int'l (being managed by Sojourner Mission Int'l) in 2014 in honour of the four Missionaries led by Sister Nkoli Chukwuamaka, who all died on their way to reaching the Akwana people for Christ on 16th

April 2013. The clinic has been of great benefit to Akwana people and the surrounding villages.

Since the commissioning of the Clinic in 2014, it has been difficult getting a medical practitioner or a missionary nurse who will work permanently among the people, one of the major problems is the massive dam and lack of a good ferry boat for crossing the water to reach the people.

The clinic has impacted much in the lives of the people of Akwana and its environs both, medically and spiritually. Discipleship class holds every Wednesday there, it was a medium through which Christ is preached to as many that stepped into the clinic. Some of the Fulanis are just afraid of facing persecution. Our Fulani missionary does house to house discipleship to encourage those Fulanis who are afraid of persecution, one of the Fulani converts we have lost everything to his younger ones due to his faith in Christ. Please pray that God will give them boldness.

Our mission clinic in Akwana is picking up gradually; the Volunteer Nurse working among them is doing his best with the combine effort of our missionaries working among the Katurumi people's group which has yielded fruits.

Presently we have one Fulani convert by name; **Musa Yunusa** who was converted during discipleship class. He was sent for a Discipleship school in June 2015 because of persecution and trait imposed on him and some of the missionaries. Presently he is through with it; we also intend to send him to **CAPRO SCHOOL OF MISSION**.

CHALLENGES

The Clinic needs more medical equipment, drugs, ferry boat and motor bike and there is a need to erect a building that will accommodate the missionary Doctor and nurses who will work there.

SUPPORT

We are asking you to see if you can adopt some of these our missionaries who are labouring hard in their various mission field with little or no support at all:

- **Musa Yunusa:** Fulani convert currently undergoing serious persecution and hardship.
- **Ardo Adamu:** Fulani Missionary in Akwana
- **Dinatu Daniel:** Training Officer in Aburon.
- **Isaac Daniel:** Missionary in Funtong.
- **Ishaya Bitrus:** missionary in Funtong.

PRAYER POINTS

Thank God for his mercies to us through out the year 2015

Pray for us that God will give us a clear vision for 2016

Pray that the Lord will continue to keep, provide and protect us in the face of all the challenges.

Finally our firm belief is that the grace of God shall abound towards you. We will continue to trust on His never-failing promises as we journey

PATIENTS WAITING TO SEE THE DOCTOR

MINI LABORATORY IN THE CLINIC

DOCTOR ATTENDING TO PATIENTS

through to the end of this year. It is our sincere prayer that the Lord would continue to shower His blessings on you and preserve you as a positive influence in the global task of world evangelism, particularly to the unreached and the forgotten ones in the hinterlands of Africa.

We, too, would continue to find grace and strength from the Lord to make impact, as we count on your empowering partnership in the years ahead.

Once again, from our hearts; thank you and God's blessings.
Yours in His service,

Christian Ofodile

Head of Admin (*Sojourner Mission International*)

OVERCOMING THE CHALLENGES OF THE TIME

Olusanya Leye

It is worth to note that life is interesting, fun, and at the same time will always pose challenges. We live in a time everything looks grey and hardship is almost becoming a norm. (a 'staple food'

on our table)

Apostle Paul said,

"For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us"
(Romans 8:18)

The present time is coloured, laced and overcharged with challenges, ranging from insecurity, crimes, economic issues (unemployment, Inflation, Scarcity of resources) to family challenges. The target of the devil is to make your Christian life difficult and eventually make you to deny your faith. The challenges will not abate, but rather it will be on the increase, for this is the sign of the end time, else the scripture will be untrue. The good thing is that you can actually ride over these challenges to destiny.

Let us consider two areas of challenges:

Family/marital Challenges:

The family is the most vital institution in nation building. Whatever gets rooted in the family arena robs on the nation. The challenges in the family includes financial inadequacy, lack of unity, disobedient and wayward kids, divorce, abuse, the list goes on.

The stronger the family, the stronger the church and the nation, hence the renew attack of the devil on the family. In overcoming this challenge, it is necessary for you to run your home with the 'Act' that established the family.

Crisis of Faith:

Another challenge that characterizes the time we live in is the crisis of faith. This occurs in the life of a believer when situation of life makes him to doubt the love of God and begins to consider the idea of dropping the issue of serving God. Question like; 'why this and this in my life?' starts coming up in your mind, you start to consider whether this faith thing is worth it or the workability of it. It seems as if what you believed in is not working and that there is nothing to show for the years of your faith-life. Apostle Paul refers to this period as perilous time in (2 Timothy 3:1). To this end therefore the drowning believers are of the opinion that faith in God is not just enough to take one to the promise land.

We need to go back to the bible, and we must not adopt another gospel.

"But though we, or an angel from heaven, Preach any other gospel unto you than that which ye have received, let him be accursed."
(Galatians 1:8)

It is not God's intention for life challenges to capsize your life and destiny.

"There hath no temptation taken you but such as is common to man; but

impossible

God is faithful, who will not suffer you to be tempted above that ye are able: but will with the temptation also make a way to escape, that ye may be able to bear it"
(1 Corinthians 10:13).

In overcoming the challenges of life, we want to consider the following:

The God Factor:

"... For without me ye can do nothing"
(John 15:5)

"If it had not been the Lord who was on Our side, when men rose up against us"
(Psalm 124:2)

When Peter was facing the challenges of failure and economic emptiness (Luke 5:1-6), he allowed Jesus Christ the use of his boat. The result was an abundance of fishes.

King David had national and economic challenges and consequently the crisis of judgment. In the midst of it all, he decided to take side with God. The result was that God had mercy on him and on

the nation. (2 Samuel 24:14). Another King, Saul, had a civil challenge and decided to consult the familiar spirit. He ended up meeting his Waterloo. (1 Samuel 28:6-7).

God has given us the assurance of help in the time of crisis.

"And call upon me in the day of trouble: I will deliver thee and thou shall glorify me".
(Psalm 50:15)

Make up your mind that you'll not fail. Apostle Paul did made up his mind not to fail in the midst of his entire ordeal. Hear him:

"For I am persuaded, that neither death.... nor principalitiesshall be able to separate me from the love of God ..."
(Romans 8:38, 39).

Let God be your strength in these days of adversity. Your strength will definitely fail you, but if you will exchange your weakness for God's strength, you will surely overcome.

***"If thou faint in the day of adversity,
thy strength is small
(Proverbs 24:10)***

Plan Your Life:

In most cases, an unplanned area of a city (slum) is characterized by increased violent, social ill, low level of health and hygiene, high mortality rate etc. Economic challenges often times have overwhelming expression in an unplanned life. Planning your life has to do with you setting in place or putting down a template of what you want to do with your life, more than that you've got to live out the plan i.e. work it out. Draw out a plan for your finances, marital life, children, retirement and spiritual life. Run your life on a predetermined course. One of the ills life challenges bring to people is diversion. Whatever life throws at them is what they take and wherever life pushes them to is where they go. This supposes not to be so if you have actually planned your life. Once diverted, struggling, confusion and unfulfilment set in. An unplanned life will be drowned by life challenges and will eventually end up as a slum (down-town or ghetto so called).

Picture a Glorious Future:

In overcoming these pressing challenges, you need to create a picture of a glorious future. See the good end of your life, the picture of a better

you, a better career, a healed person etc. This will propel you to move forward in life.

***"Looking unto Jesus ... who for the joy
that was set before him endured the
cross, despising the shame, and is set
down at the right hand of the throne
of God"
(Hebrews 12:2)***

I once asked some of the Nigerian migrants to Europe via Sahara desert (Niger and Libya, by road) and the Mediterranean Sea (by ferry), why the risk? This is what most of them said; "we had in our minds the picture of a beautiful Europe as the 'promise land' and the hope of getting there kept propelling us and hence the risk".

In conclusion, challenges are part of the packages of life. They are not meant to destroy us but to make us.

***"Confirming the souls of the disciples,
and exhorting them to continue in the
faith, and that we must through much
tribulation enter into the kingdom of
God".
(Acts 14:22)***

Make up your mind that you will make heaven despite challenges. Let heaven be your sleeping and walking thought.

THE GREAT OMISSION IN THE GREAT COMMISSION

There were two groups of farmers engaged in an age-long war of supremacy.

They had no meeting point that produced good yields at the end of the farming season. The first group came from a good breed. Their tubers of yams, cassava, and pumpkins were extra-ordinarily large. Everyone admired and desired to buy from them at the market. They thought that since they were good that everybody would love them but that was not the case. They became non-chalant in their farming procedures (about their seedlings and the preservation of their crops).

By the way the second group was a sinister group who though were farmers produced lean tubers and cassava and their products were weevil infested. They were jealous and planned on how to infiltrate the good farmers. Unfortunately the good farmers did not know until their yield became adulterated. That was when they started asking questions as to what went wrong.

Brethren the clock is ticking. The time does not wait for any man. What we neglect to do today will hunt us in the future. We have neglected our children. Our Universities are infested with different cult groups and we lament for the mayhem they are causing. Anything that is alive must grow including our children. They have grown and the devil had deceived them to believe that what they imagine is an interesting life. The world has a doctrine that teaches the young people and that is to overlook Jesus and enjoy life. Is there any life outside Jesus?

Without Jesus, we are but working corpses waiting to be buried. When we neglect our children we neglect our future and society. Leaving out our children in the salvation that God has given is but the great omission in the great commission.

In most countries the level of corruption is outrageous. Why is it so? Children who later became adults were neglected and they grew with warped minds perpetuating evil as they wanted. We did not minister to our children; we keep calling them the leaders of tomorrow but did nothing to make them good leaders.

The inhumane treatment meted against children is now very common. Have you heard about selling young girl child into prostitution? In one of such

countries, a girl of eight is already an old prostitute. You may ask when she started. What if that was your little sister or your child? Have you not heard about kidnapping a small girl child and locking her up in a room and abusing her sexually for years? Do you know that 2/3 of these children do not know Jesus and almost the same number live in crisis? In some countries, children are used as drug barons and even killed if they do not make adequate returns.

“Train up a child in the way he should go; and when he is old, he will not depart from it”

(Proverb 22:6)

We must reach out to children and teenagers with the gospel; and also plant in their hearts the culture of the great commission.

Children is the most fruitful harvest field? They believe what you teach them and are very ready to do what you have directed them to do. They also are able to tell others what they have learnt without shame. They bring their friends and sometimes their parents to the Lord. When you hear missionaries say they have not won a soul it is because they have been targeting only adults. Note that it is hard to bend an already grown man. By the way there is not an adult soul or a child's soul. A soul is a soul before God. Nobody has timetable of God regarding when a full grown adult or a child will die. We have children all around us waiting to be harvested for God. How far have we gone? Is it possible to bring ourselves down to the level of these children and lead them to Christ? Are we still going to flip out our hands and say with mischief on our faces that they are children as if they do not matter? God created them so they matter.

The bible says in **Matthew 18: 14**, 'Even so it is not the will of your Father which is in heaven that one of these little ones should perish'. Since it is not the will of the Father that any of these little ones should perish, would it become our desire to see these children go to hell? I will let you answer that.

NKOLICHUKWUAMAKA
(Blessed memory)

CONQUERING NEW GROUND

(TRUE STORY)

By Pastor Samuel Ojemole

I, Pastor Samuel Ojewole, was born in April 13, 1954. I obtained a National Certificate of Education (NCE) and later went to mission school where I obtained Diploma in mission in the year 1999. I worked with Worldhope Ministries for 13 (thirteen years) before I received the order to quit to start a new work in October 2011 under the name; **Foundation of Peace in Christ Missions** at Fada in Ona-Ara local government, Ibadan, Oyo State.

God has helped us establish. Our base is at Fada Mission Field, a village in the interior jungle in Ona-Ara local government in Oyo State. The church has a population of over 100 (one hundred) people by now. Indigenous missionaries are trained from here to reach the unreached places with the gospel and it is among these people that God has chosen those to manage other fields that were established later (as narrated below)

The Church Auditorium at Fada

During Holy Communion at the Church

GBAMGBA MISSION: This was established 3 years ago having 50 (fifty) members. We are using the parlour and compound of a Muslim chief for fellowship. We have paid N70, 000 (Seventy Thousand) Naira of the N180, 000 (One Hundred and Eighty Thousand) Naira for an acre of land for the mission work here. My wife Evangelist Rebecca Ojewole and Evangelist Isaac Ochai are working on this field. We are facing challenges from Muslims.

Fellowship at Gbangba Mission Field

KOREDE MISSION FIELD: This is about 20km from Fada village. The villagers are predominately Muslims and idol worshippers. Pastor Oladele and his wife are working on this field.

Fellowship Centre at Korede

TUKOS MISSION FIELD: This field was established in January 2015. We are trusting God to get a land for fellowship centre in this village.

Fellowship Centre at Tukos

OEDELE MISSION FIELD: This is a Muslim and idol worshippers dominated village. We have gotten a land that we can build the church whenever God provides the fund. This fellowship is being shepherd by Evangelist Adegbola

In all we have 11 (eleven) missionaries working in these mission outreach posts, and we are looking forward to have more in the coming years.

Fellowship at Odedele

TESTIMONIES

- **Baptism:** in October 2015, 32 converts were baptized and joined the discipleship forum

On the way to the River for Baptism

Baptizing one of the Converts

- **Revival:** We had an open air revival service at Fada in October 2015 in which many people gave their lives. God delivered us from an attack from a snake that fell from the tree under which we had the revival.

An Open Air Revival Service at Fada: The Smoke is set to Drive Away Biting insects.

Deliverance from attack from snake that fell from the Tree during the Revival

- **Deliverance from suicidal spirit:**
A woman who wanted to commit suicide gave her testimony. She was delivered.

The woman who wanted to commit suicide

Pastor Samuel Ojewole is one of the missionaries being supported by Greenfield World Mission International. If you (reader) are interested in supporting his work, you can reach us through our contact or contact him directly through 07059144320, 08023219149 (using text messages can be effective in case of network failure in the interior jungle), Samuelojemole4@gmail.com

MEDICAL OUTREACH

(IN PICTURES)

Greenfield in partnership with **Household of Love Church, Abuja** organized a medical outreach in Gwagwalada on the 7th of November 2015. This was carried out in collaboration with some Medical Personnel from National Hospital, Abuja.

TESTIMONY

HEALED FROM HEPATITIS C

During the Gwagwalada medical outreach, I was tested positive for Hepatitis C. With such terrifying result, I decided to go into nine days fasting and prayer and took my medication and by the time I ran another test, I was tested negative.

I give God all the glory for restoring my health.

(Emmanuel G.)

Adopt a Missionary

N120,000 per annum @ N10,000 per month
N60,000 per annum @ N5,000 per month

Dear Reader, we encourage you to take an active step.
If the Lord lays such upon your heart to adopt a missionary
by giving financial support that will be channeled to a
specific missionary on the field, then write or call us.

We will be happy to hear from you.
